IMORE Fit Open Earbuds S50

FEATURES:

IMORE PurePower Driver

The embedded cutting-edge integrated dual-magnetic circuit design of the IMORE PurePower Driver increases sensitivity to reproduce the subtle nuances of sound boosting power by 40%.

Diamond-Like Carbon Diaphragm

A Diamond-Like Carbon (DLC) Diaphragm, with a molecular structure similar to diamonds, produces an unexpectedly accurate and balanced sound reproducing all the subtle details.

Open-Air Technology

The Open-air design of S50 open earbuds doesn't block the environmental sound that is around you, allowing you to hear peripheral sounds of cars and crowds to increase awareness.

Ergonomic Ear Hooks

Dual support points alleviate the 10g weight of each earbud and the built-in memory wire and ear hooks designed using various test models fit snugly on your ears for long-wearing comfort.

IPX7 Waterproof Rating

The IPX7 waterproof rating protects your earbuds from rain and sweat. You don't have to panic if it starts raining or having to push yourself during your workout routine.

38H Battery Life + Quick Charge

The IMORE S50 boasts an impressive 38-hour battery life and features a remarkable 5-minute quick charge that grants an additional 2 hours of playtime.

MORE FEATURES:

AI-Powered Noise-Reduction Calls

4 high-performance MEMS microphones and an AI-powered deep neural network (DNN) algorithm accurately pick up the human voice and eliminate background noise by up to 30 dB, even in bustling crowds, the two-way calls are still clear.

Unique Sound Presets Enhance Your Listening Enjoyment

12 studio-level EQ presets from Sonarworks are delicately crafted to apply to various genres, and flavor your music with the different EQs.

IMORE Signature Sound

The 4-time Grammy Award-winning sound engineer, Luca Bignardi precisely tunes each headphone for a natural, authentic sound for better enjoyment.

Advanced Bluetooth 5.3 Technology

Supporting seamless use - less power consumption, strong anti-interference, effortless entertainment, and wide compatibility.

Instant Charge Without Plugging in

Qi-Enabled Wireless Charging allows you to keep consistency with your other wirelessly charge-enabled devices, charging your IMORE earbuds have never been easier.
