

BOOST YOUR SPORTS MOOD

IMORE Fit SE Open Earbuds S30

FEATURES:

Open-Air Technology

Uncompromising sound quality with the open-ear design to enhance situational awareness, the open-air tech elevates your safety whether you're walking to work or cycling on the road.

Directional Sound Technology

The directional sound technology built into the S30 earbuds provides less leakage and better acoustic performance while also providing more privacy at the same time.

14.2 mm Dynamic Driver with DLC Diaphragm + DBB

Enlarged DLC diamond-like diaphragm dynamic driver with a DBB bass-enhanced algorithm elevates the sound quality, and expresses distinct, vigorous, and improved listening.

4-Mic Noise Canceling for Calls

4 Built-in microphones with an intelligent noise canceling algorithm dynamically filter the environmental noise when you're on a call, keeping all the details of your voice.

IPX5 Waterproof Rating

The solid IPX5 waterproof rating of the S30 accompanies you whether you're sweating from your workout or confronting the changing weather.

30-Hours of Sustainability

The sustainable battery of the IMORE S30 headphones support 30 hours of continuous playback whether you're walking, bicycling, climbing, or any other activities.

MORE FEATURES:

Next-Level Comfort

The open-ear design of the S30 does not pass through your ear canals, delivering an unnoticeable wearing sensation.

Lighter, More Fit

The highly-integrated earbud weighs in at only 10g each. The gentle curve snugly fits your pinna and optimized wearing gravity enhances comfort and stability when you work out.

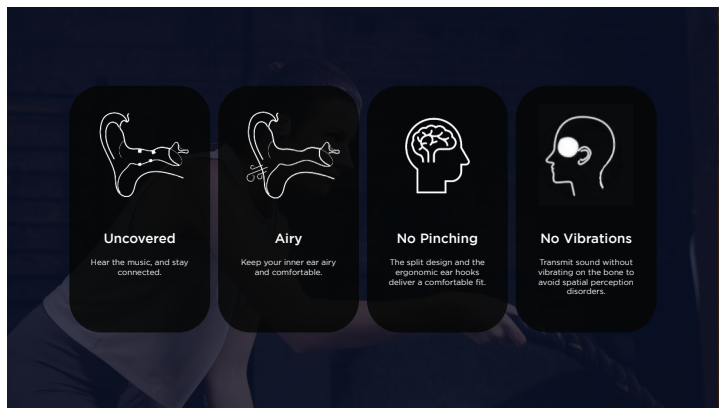

Supported by Bluetooth 5.3

The IMORE S30 features the latest Bluetooth 5.3 technology which effectively resists disturbance, and instantly connects with your devices.

Customizable Touch Control

Simply touch the earbud to switch tracks, adjust volume, answer phone calls, and activate the phone assistant allowing you to control your experience whatever you're doing. Never miss a call again.

You can also customize the control settings via the IMORE MUSIC app.
