STEREO<sup>3</sup>

<sup>1</sup> The EVERSE 8 battery pack will provide 12+ hours at 95 dB SPL average with typical program material, or 6+ hours at maximum output level before limit indication.

<sup>2</sup> Always use the supplied weatherized input cover, or the Electro-Voice approved accessory rain resistant cover in wet or damp environments.

<sup>3</sup> Two EVERSE 8 loudspeakers are required for true wireless stereo via a Bluetooth® connection. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Bosch Security Systems, LLC is under license.

# EVERSE 8

REAL PRO AUDIO UNPLUGGED

## REAL PRO-AUDIO PERFORMANCE

EVERSE 8's superior sound quality, output capacity, and wide, even coverage is unmatched by any other battery-powered loudspeaker available today. The difference is clear to hear via an 8" woofer mounted using EV's patented SST (Signal Synchronized Transducers) port design, and a high-output titanium tweeter mounted onto a custom constant-directivity waveguide. System reliability is verified with extensive music abuse and endurance testing. Decades of pro-audio know-how delivered in a super-portable package.

## BATTERY-POWERED CONVENIENCE

EVERSE 8 is powered by a custom-designed high-capacity Li-ion battery pack, fully optimized for audio use and providing plentiful power for up to 12 hours of run time. Protection circuitry reduces the risk of your battery discharging to such a low voltage that it can no longer be recharged – for example, after long periods in storage. Tool-free screws make removing the battery pack effortless. Uncompromising sound quality, unplugged.

## IP43-RATED WEATHERIZED DESIGN

In combination with the rugged polypropylene enclosure, use of the included weatherized input cover allows EVERSE 8 to meet the IP43 rating (water resistant for splashes and light rain) when running on battery power and while Bluetooth® streaming. Built-in feet with no-skid rubber pads ensure the system stays put. Bring EVERSE 8 outside for busking, marching band practice, or the backyard BBQ – wherever you need a PA, whatever the forecast.

## COMPACT & LIGHTWEIGHT

Every detail of EVERSE 8 is designed to maximize easy lifting and transportation – all while reinforcing EV's reputation for real-world durability. An ergonomically designed soft-touch handle and premium lightweight construction make it a breeze to move and mount EVERSE 8. Pack it into the optional tote bag and head out to the gig. It's the all-in-one pro-audio system you can grab to go.

## GRAB & GO

Tote bag available – designed to fit everything you need:

- EVERSE 8
- Accessory tray and weather cover
- Wireless mic and receiver
- Extra battery
- XLR and power cables
- Mobile devices

## EXPANDABLE FUNCTIONALITY

The integrated 12 V DC port provides convenient power from the EVERSE 8 battery, perfect for powering a wireless microphone system such as the Electro-Voice RE3 or R300 (see user manual for details). Attach the optional accessory tray to the top of your EVERSE 8 to secure receiver hardware in place. A charging port is included for mobile devices if you need a top-up when streaming. Place on a tripod for a longer throw, set long-side-down as a stage monitor, or use upright with the kick-back angle to project up off the performance area. For stereo setups, EVERSE 8 is equipped for Bluetooth® true wireless stereo streaming. Flexible features for a truly self-contained setup, input to output.

EVERSE 8	
<b>Application</b>	Kick-back / monitor / pole-mounted
<b>Transducers</b>	8" woofer, ferrite magnet / 1" titanium dome, neodymium magnet, ferrofluid cooled
<b>Power rating (peak)</b>	400 W
<b>SPL max<sup>1</sup></b>	121 dB
<b>Coverage (H x V)</b>	100° x 100°
<b>Frequency range (-10 dB)<sup>2</sup> / response (-3 dB)<sup>3</sup></b>	50 Hz-20 kHz / 60 Hz - 20 kHz
<b>Material</b>	Enclosure: polypropylene Grille: steel with black powder coat
<b>Digital signal processing</b>	QuickSmartDSP features best-in-class processing. Easy setup via seven-band GEQ for main EQ, user-programmable presets, visual monitoring of limiter status, input level control and meters, digital effect control, and master volume control to optimize gain structure, all via LCD or QuickSmart Mobile app.
<b>Remote control and monitoring</b>	EV QuickSmart Mobile application: quickly and wirelessly configure, control and monitor up to two EVERSE 8 systems simultaneously, and receive immediate notification during critical performance conditions.
<b>Bluetooth<sup>®</sup> audio streaming<sup>4</sup></b>	<input checked="" type="checkbox"/>
<b>Crossover frequency</b>	2250 Hz
<b>Connectors</b>	2x XLR/TRS combo jack      1x charge port 1x XLR output                1x 12 V DC power output 1x 3.5mm stereo            1x TRS footswitch
<b>USB charging</b>	1.5 A max, device-dependent
<b>Power consumption<sup>5</sup></b>	100 - 240 V~, 50 - 60 Hz, 0.8 - 0.6 A
<b>Battery capacity</b>	86.4 Wh
<b>Battery at max output<sup>6</sup></b>	6+ hours of run time
<b>Battery at moderate output<sup>7</sup></b>	12+ hours of run time
<b>Weight</b>	7.6 kg (16.6 lbs)
<b>Dimensions (W x H x D)</b>	400 mm x 275w mm x 272 mm (15.75" x 10.83" x 10.71")
<b>Colors</b>	Black and white
<b>Accessories</b>	EVERSE8-TRAY-B mic receiver tray black      EVERSE8-TOTE tote bag EVERSE8-TRAY-W mic receiver tray white    EVERSE8-RAINCVR rain cover EVERSE8-BAT-B battery pack black EVERSE8-BAT-W battery pack white

## POWERED BY DYNACORD

EVERSE 8 is driven by a high-efficiency Class-D amplifier and DSP module developed in collaboration with the world-class audio electronics engineering team at EV's sibling brand Dynacord. Pro features include a built in four-channel digital mixer with studio-quality effects and processing, 48 V phantom power, feedback suppression and audio ducking. Between the EV and the D badges, you get the best of both worlds.

## WIRELESS CONTROL & MONITORING

Use the EV QuickSmart Mobile app to adjust all audio, effects and mix functions via your phone or tablet. An intuitive user interface makes it simple to shape your sound to the space, so you can focus on the show.

EV QuickSmart Mobile available in select countries. Apple, the Apple logo, iPhone®, iPad®, and App Store® are trademarks of Apple Inc., registered in the U.S. and other countries.
